

SMYOC - CORPORATE SPONSORSHIP

SMYOC offers 4 levels of corporate sponsorship providing your company with an opportunity to support the outstanding young musicians of Calvert and St. Mary's counties as they make great music together. The benefits of each sponsorship level are described below. SMYOC charges tuition for all its programs which is budgeted to cover about 40% of its operating expenses. The remaining expenses are covered by ticket sales, grants, donations and sponsorship from companies like yours. Thank you so much for your support. All levels of sponsorship receive:

- Free advertisement in the program for each concert and our annual gala.
- Your logo on our website at www.smyoc.org, with a link to your website.

BACH LEVEL – \$5000

- One of our chamber groups or our Pops group will perform for you, free of charge, at a mutually agreeable time and location, in Calvert or St. Mary's counties. We'll strive to meet your requirements if you have a date/time/venue in mind.
- \$500 of your donation will be used to provide a series of 10 private lessons to 2 of our students. We will choose the students and the teachers, and we will organize the lessons. You will be told the names of the students and teachers and will receive a progress report once the lessons are complete. This is a very direct means of enriching the lives of some of our students.
- In consultation with our Music Director, you get to select a piece of music that SMYOC will perform at a concert¹. The piece you choose will be purchased with your donation and will be permanently marked with your logo (or name). During the concert, it will be dedicated to you. It will then go into our library for a future performance. You become part of our legacy!
- Eight season tickets, for free admission to every SMYOC concert and our annual gala.

MOZART LEVEL - \$1500
